1.107 Certifications.

In accordance with Section 29 of the Office of Federal Procurement Policy Act (41 U.S.C. 425), as amended by Section 4301 of the Clinger-Cohen Act of 1996 (Public Law 104-106), a new requirement for a certification by a contractor or offeror may not be included in this chapter unless—

(a) The certification requirement is specifically imposed by statute; or

(b) Written justification for such certification is provided to the Administrator for Federal Procurement Policy

by the Federal Acquisition Regulatory Council, and the Administrator approves in writing the inclusion of such certification requirement.

[62 FR 44813, Aug. 22, 1997]

1.108 FAR conventions.

The following conventions provide guidance for interpreting the FAR:

(a) *Words and terms.* Definitions in Part 2 apply to the entire regulation unless specifically defined in another part, subpart, section, provision, or clause. Words or terms defined in a specific part, subpart, section, provision, or clause have that meaning when used in that part, subpart, section, provision, or clause. Undefined words retain their common dictionary meaning.

(b) *Delegation of authority.* Each authority is delegable unless specifically stated otherwise (see 1.102–4(b)).

(c) *Dollar thresholds.* Unless otherwise specified, a specific dollar threshold for the purpose of applicability is the final anticipated dollar value of the action, including the dollar value of all options. If the action establishes a maximum quantity of supplies or services to be acquired or establishes a ceiling price or establishes the final price to be based on future events, the final anticipated dollar value must be the highest final priced alternative to the Government, including the dollar value of all options.

(d) *Application of FAR changes to solicitations and contracts.* Unless otherwise specified—

(1) FAR changes apply to solicitations issued on or after the effective date of the change;

(2) Contracting officers may, at their discretion, include the FAR changes in solicitations issued before the effective date, provided award of the resulting contract(s) occurs on or after the effective date; and

(3) Contracting officers may, at their discretion, include the changes in any existing contract with appropriate consideration.

(e) *Citations.* When the FAR cites a statute, Executive order, Office of Management and Budget circular, Office of Federal Procurement Policy policy letter, or relevant portion of the Code of Federal Regulations, the cita-

tion includes all applicable amendments, unless otherwise stated.

(f) *Imperative sentences.* When an imperative sentence directs action, the contracting officer is responsible for the action, unless another party is expressly cited.

1.109 Statutory acquisition-related dollar thresholds—adjustment for inflation.

(a) 41 U.S.C. 431a requires that the FAR Council periodically adjust all statutory acquisition-related dollar thresholds in the FAR for inflation, except as provided in paragraph (c) of this section. This adjustment is calculated every 5 years, starting in October 2005, using the Consumer Price Index (CPI) for all-urban consumers, and supersedes the applicability of any other provision of law that provides for the adjustment of such acquisition-related dollar thresholds.

(b) The statute defines an acquisition-related dollar threshold as a dollar threshold that is specified in law as a factor in defining the scope of the applicability of a policy, procedure, requirement, or restriction provided in that law to the procurement of supplies or services by an executive agency, as determined by the FAR Council.

(c) The statute does not permit escalation of acquisition-related dollar thresholds established by the Davis-Bacon Act (40 U.S.C. 3141 through 3144, 3146, and 3147), the Service Contract Act of 1965 (41 U.S.C. 351, *et seq.*), or the United States Trade Representative pursuant to the authority of the Trade Agreements Act of 1979 (19 U.S.C. 2511 *et seq.*).

(d) A matrix showing calculation of the most recent escalation adjustments of statutory acquisition-related dollar thresholds is available via the Internet at <http://acquisition.gov/far/facsframe.html>.
